
Calcutta Chamber hosts AI awareness prog

MI News Service, Kolkata: Calcutta Chamber of Commerce successfully hosted an insightful panel discussion titled "AI for Business: From Awareness to Action" on 21 July 2026.

Addressing the gathering, the President of the Calcutta Chamber of Commerce, Anant Saharia, emphasized that knowledge-sharing and collaboration are central to the

Chamber's mission of helping its members remain competitive in an increasingly technology-driven economy.

Prish Agarwal, Managing Director & Chairman, AI Future Technologies, emphasized AI's transformative role in reshaping business workflows. Jai Prasad, Cluster Head Branch Banking, IDFC FIRST Bank, spoke about the financial and security dimensions

of AI adoption. Aaditya Vikram Jhunjhunwala, Partner, Multi-tech Solutions, addressed the practical challenges organizations encounter while implementing AI solutions.

The panel discussion was followed by an engaging interactive Q&A session. The event concluded with a vote of thanks by Annurag Jhunjhunwala, Sr. Vice President of the Calcutta Chamber of Commerce.
